

L.A.C.E. Lace In Lisle, Ill. June 20th, 2015

When Lace Day is the second Saturday of June, the L.A.C.E. Guild usually cancels the monthly meeting held on the third Saturday of the month. This year, June 20th, an after lace day lace-in was held.

Six members arrived early to work on projects stated at Lace Day. Donna Fousek reserved a room at the museums at lisle station park. It was a great time and a lot of work got done on the projects. Plans are under way to have another one soon.
