

Supply List for Tambour Program in May

1. Embroidery hoop and stand. You need both hands free to work.
2. 1 spool of silk or cotton thread - color contrasting to material (I prefer Guttermann silk thread)
3. Tambour hook
4. Pre-threaded beads or sequins (optional)
5. Tulle or silk organza (can also use muslin)

Photos show examples of Dianna Smith's tambour projects.

Dianna will have some beads, thread and material available for use for a small supply fee if you don't have them on hand. If you want to try your hand at Tambour during the meeting, Dianna recommends you watch these videos before coming:

You can order tambour hooks from Lacies, Robert Haven or several Etsy vendors.
